

Movie Studio PLATINUM

VISUAL EFFECTS SUITE

Video editing and special effects

Movie Studio Platinum: Visual Effects Suite 2 has all the creative tools you need to unleash your inner filmmaker. Produce professional-looking sci-fi, fantasy, or action-adventure movies. Use the suite to turn everyday video into entertaining masterpieces. Easily edit video in almost any format including high definition and stereoscopic 3D. Powerful, easy to use audio-video tools help you achieve feature-film results in your home studio, with a wide variety of delivery options. Burn finished movies to Blu-ray Disc™ or author DVDs.

Enhance video productions with color grading, special effects, and transitions

Powerful Video Editing

- Create flawless stereoscopic 3D projects
- Edit video in nearly any format including, MP4, 3D MVC and Sony AVCHD
- Produce films in a wide range of popular genres, including sci-fi, superhero, action/adventure, and more

Advanced Visual Effects

- Easily move media between Movie Studio Platinum and HitFilm 2 Express for a streamlined production workflow
- Export clips to HitFilm 2 Express for advanced color grading with built-in film-look filters
- Drag and drop 3D particle effects like fire, muzzle flash, exploding debris, shockwave, smoke, and more
- Apply green screen and masking controls for advanced compositing effects

The Perfect Soundtrack

- Select from 20 Sony Sound Series: Production Music soundtracks to energize your video
- Import music from CDs and MP3s or record your own audio
- Remove clicks, pops, and other unwanted noise with audio restoration tools

Integrated 2D/3D DVD and 2D Blu-ray Disc™ Creation

- Author and burn professional-looking DVDs
- Add custom menus, buttons, backgrounds, and navigation to DVDs
- Burn high-definition Blu-ray™ Discs directly from the video timeline

Distribute Your Creations

- Create your own music CD, DVD, or Blu-ray Disc™ in minutes
- Upload projects directly to Pixelcast™*, YouTube™, and YouTube™ 3D
- Share audio and video on portable devices such as PSP®, iPod®, iPhone®, and more
